DBKA President's Fund

The DBKA President's Foundation Fund provides a grants programme to organisations to promote and further the craft of beekeeping, and to advance the education of the public in the importance of bees in the environment.

The Beekeepers Quarterly is a quality beekeeping journal for beekeepers interested in what is happening around the world. It normally costs £30 for one year (March, June, September, December issues) but can be ordered for 2018 through the Devon Beekeepers' bulk subscription scheme for £20. The magazine is mailed directly to member's address. Just tick the box on the membership form and add £20 to your total. *(If joining after 31 May the amount due is £15, and if after 31 August £10.)*

* Unless payment is made after 31 March, in which case it takes 40 days for the BDI insurance cover to become effective.

Notes to help you complete the form

1. DBKA has 11 branches: East Devon, Exeter, Holsworthy, Newton Abbot, North Devon, Okehampton, Plymouth, Tavistock, Tiverton, Torbay, Totnes & Kingsbridge. Members may belong to the Branch of their choice, but if no Branch is selected, new members will be assigned to the Branch that is local to their home address.
2. Bee Diseases Insurance (through BDI Ltd) covers losses due to notifiable bee diseases. Insurance for three colonies is included in Registered Members' subscription only. Registered Members with more than 3 hives are required to increase the insurance component of their subscription as per the table below. Partner Members are not required to make any BDI payment, but the Registered Member is responsible for insuring all colonies owned by themselves and their Partner Member. Bees kept by Junior Members whose parents do not keep bees, or who have not insured the Juniors' bees on their behalf can have insurance taken out on their behalf with BDI. In such circumstances the paper or e-Return receipt should show the Junior member's name in the usual way, but the first line of the address should be replaced by - 'Mr A Adult (on behalf of J Junior)', followed by the address on the remaining lines. (Beekeepers under the age of 16 years are unable to take out insurance policies and any policy has to be arranged by a parent or guardian.) Members are advised to read the terms and conditions of this insurance before subscribing to ensure that the cover and terms are appropriate for their situation. Use the tables below to calculate the premiums payable. Special terms are available for members with forty or more colonies.
